Dear Sir/Madam

CITY OF STIRLING REPORT OF REVIEW.

The WAPC has considered the report of review and supports the intent and approach within the City of Stirling 2024 Report of Review document and agrees with the City's recommendation within its Report of Review to prepare a new local planning strategy.

The City is advised that any outcomes of the new local planning strategy shall be embedded in Local Planning Scheme No. 4 via consequential scheme amendment(s).

The City is also advised that the Dianella Centre Plan (2012) that is proposed to continue as a structure plan is not formally recognised as a planning instrument, and it may therefore wish to instead retain this as a general planning study document.

Please direct any queries about this matter to
localplanningschemes@dplh.wa.gov.au

Yours sincerely

Ms Sam Boucher
Secretary
Western Australian Planning Commission
